1024 PEDALERS LN
$259,000

2 BED | 1.5 BATH | 942 SF

Nestled on picturesque Pedalers Lane, these cottage homes are filled with efficiency and charm. Each cottage has been carefully crafted with intentional living space, energy efficient geothermal heating and air, and a functional layout. On a liveable front porch, spend your time enjoying the view from the heart of Wheeler District. Just steps away from the neighborhood park and pool, you will have easy access to the amenities that life in Wheeler has to offer. This cottage will be recognized by it's classic brick facade. An open kitchen island will easily transition from prep surface to dinner table and a powder bathroom conveniently services the first floor. Just up the staircase, two bedrooms complete this cozy abode, one having private access to a shared bathroom.
