

# WHEELER *Home*

NO. 301 | 928 SW 17TH ST

3 BED

2.5 BATH

2141 SF

\$875,000

Designed by London-based architecture firm Allford Hall Monaghan Morris, this custom-designed flat offers high-end finishes and a thoughtful, maximized layout. This light and bright open plan features a contemporary color palette, soaring ceilings, expansive windows with unobstructed views, natural hardwood floors, geothermal heating and cooling, and luxury finishes. Highlighted spaces include a large living area, a chef's kitchen with a quartz island, custom cabinets, upgraded appliances, and a large covered veranda with glass openings. Amenities include elevator access, a private 2-car garage, and proximity to Wheeler District's pool, park, and retail/restaurant spaces.

All marketing materials are provided for informational and inspiration purposes only. Prices and fees subject to change.
